RE: Intern – HRIS (11173)
Company : Seagate

Dear Hiring Manager,

I am writing to express my interest in the Intern position at Seagate as advertised on your careers page. Though I am just starting my professional journey, I am eager to bring my strong programming skills, background in technical support, and knowledge of software engineering to your esteemed company. Seagate's commitment to innovation and excellence is deeply inspiring to me, and I am excited about the possibility of contributing to your team.

In my previous projects, I have:

- Developed robust Java applications: Leveraging core Java concepts and libraries to build scalable and efficient solutions.
- Implemented efficient database solutions: Utilized SQL to design and optimize databases, ensuring data integrity and performance.
- Created user-friendly web interfaces: Employed HTML, CSS, and JavaScript to develop responsive and visually appealing web applications.

I am particularly excited about the opportunity to apply my skills at Seagate. I am confident in my ability to adapt to new technologies and challenges, and I am eager to learn from experienced professionals at Seagate.

Thank you for considering my application. I have attached my resume for your review and would welcome the opportunity to discuss.

warm regards,

Sincerely,
Ganesh Gudewar
